

A virtual meeting is held with the members of IQAC and other faculty members to discuss the current lockdown situation due to Covid-19 pandemic, to take the classes virtually in different online mode and conducting different webinars to enrich the student & staff.

It is decided that every head of the department will make necessary arrangement to conduct online classes of their departments as well as smoothly conduct online examination.

It is also resolved that IQAC and different departments will conduct webinar as per demands of the students and time.

Administrative work will be done on rotational basis as per direction of the lecturer-in-charge as and when he asked to do so to maintain the important tasks for the smooth running of the college purposes.

It is also decided that campus will be sanitized and cleaned on regular basis and student entry and gathering will be restricted.

No other matter to discuss. So meeting ended.
